

A spectacular day cruise package through the legendary waters of Lynn Canal!

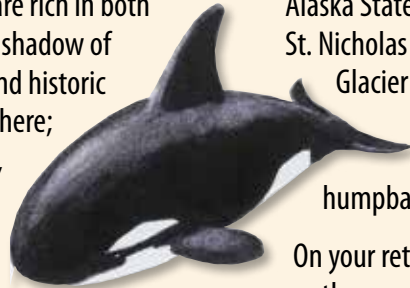

World-Class Tour Boat • Spectacular Scenery Superior Wildlife Viewing and Whale Watching

Lynn Canal

Depart Skagway and Haines in the morning and head south through Lynn Canal, our continent's longest and deepest glacial fjord. Traveled through the centuries by trappers and traders, gold rush stampeders, and modern day adventurers, these waters are rich in both

human and natural history. Sailing in the shadow of the Coast Range, view hanging glaciers and historic Eldred Rock lighthouse. Wildlife abounds here; watch bald eagles, harbor seals, porpoise, orcas and humpback whales. Stop at a rookery where Steller sea lions gather in the summer months to breed and pup.

Juneau

Upon arrival in Juneau, board our motorcoach for a tour to Juneau's downtown and spend your afternoon having lunch, shopping and exploring. You will be provided with a walking tour map to orient you to Juneau's downtown attractions such as Alaska's state capitol building, the governor's mansion, Mt. Roberts Tram, Red Dog Saloon, Alaska State Museum, House of Wickersham, Sealaska Center, St. Nicholas Russian Orthodox Church, bus to the Mendenhall

Glacier and the Sea Walk along the Gastineau Channel waterfront to the life-size humpback whale statue.

On your return cruise, sailing north en route to Haines and Skagway, savor a hearty bowl of smoked salmon chowder, sourdough bread and cookie.

The Fjordland

A 65-foot, state-of-the-art, fast-hulled catamaran, the MV Fjordland is specially designed for the waters of Lynn Canal. The Fjordland offers comfortable, indoor seating with 360-degree views. Step onto our outdoor deck to experience breathtaking scenery up-close.
