

A spectacular day cruise package through the legendary waters of Lynn Canal!

World-Class Tour Boat • Spectacular Scenery Superior Wildlife Viewing and Whale Watching

Lynn Canal

Depart Skagway and Haines in the morning and head south through Lynn Canal, our continent's longest and deepest glacial fjord. Traveled through the centuries by trappers and traders, gold rush stampedes, and modern day adventurers, these waters are rich in both human and

natural history. Sailing in the shadow of the Coast Range, view hanging glaciers and historic Eldred Rock lighthouse. Wildlife abounds here; watch bald eagles, harbor seals, porpoise, orcas and humpback whales. Stop at a rookery where Steller sea lions gather in the summer months to breed and pup.

Juneau

Upon arrival in Juneau, board our motorcoach for a tour of Juneau's highlights. See Alaska's state capitol building, the governor's mansion and downtown Juneau. Spend your afternoon having lunch, shopping and exploring. We provide you with a walking tour map to orient you to Juneau's downtown attractions such as Mt. Roberts Tram, Red Dog Saloon, Alaska State Museum, Juneau-Douglas Museum, House of Wickersham, Sealaska Heritage Center, St. Nicholas Russian Orthodox Church and Juneau's new Sea Walk that takes you along the famed Gastineau Channel waterfront to see the life-size humpback whale statue.

Our bus meets you downtown for an optional tour to the DIPAC Salmon Hatchery before returning you to the boat. Savor a hearty bowl of smoked salmon chowder while you sail north, en route to Skagway and Haines.
